Dear Resident:

Allow me to officially welcome you to Council District 10. I take the responsibility of delivering the best city services to my constituents seriously, and this letter is a response to the call of the community regarding the Miracle Mile Historic Preservation Overlay Zone (HPOZ).

After speaking with several community stakeholders in your neighborhood regarding the proposal, I would like to poll on whether or not there is overwhelming support for an HPOZ in your area.

Attached, please find a Frequently Asked Questions (FAQs) sheet with additional literature on what an HPOZ is and what this change would mean for you. If you have access to the internet, please go to <http://preservation.lacity.org/hpoz/la/miracle-mile-proposed> for additional resources regarding the proposed HPOZ.

While this proposed HPOZ falls under the jurisdiction of two Council Districts, I am mailing communications to the 331 parcels in the 10<sup>th</sup> Council District only. If you are in **support** of this HPOZ, please contact my Planning Deputy, Jordan Beroukhim, by phone at (213) 473-7010 or e-mail at [Jordan.Beroukhim@lacity.org](mailto:Jordan.Beroukhim@lacity.org). If you are **opposed or neutral** to the HPOZ, there is **no need** to reply as your poll will be cast as an oppose/no position. Kindly respond back no later than Friday, February 10, 2017. Again, if no response is received, your address will be polled as opposed.

Pride in our community begins in our homes and neighborhoods. I appreciate all that you do to further improve our neighborhoods. Together, we will continue to make our community a great place to live, work and play. Your feedback and participation in this poll is greatly appreciated.

Sincerely,

**HERB J. WESSON, JR.**
